HIS WORK WITH AGENT NETWORK (1944)**

From: MOSCOW

To: BOCOTA

No: 72

12 June 44

1. Advise from whom you received the information about the situation in the country. In future in such cases always indicate the source of the material.
  2. According to our information the treatment of "KIRILL'S" [1] child will cost him [1 group unrecovered] which neither we nor "KIRILL" will be in a position to pay. Thus, in view of the fact that he will not be able to pay, we propose that you [1 group unrecovered] should fix with the doctor the maximum monthly fee for "KIRILL" (worry about this payment to his doctor is affecting his work with the agent network).
  3. Advise us [1 group unrecovered] "KIRILL'S" [1] date of departure.
